I hope this mail reaches you in a good health and happiness .It's been a long time since I wrote to you. I hope you and your family are safe and healthy. The reason that I am writing this mail is to thank you for everything that you have done for us and sponsoring us.

I am really grateful to be selected as one of the luckiest child as I got this opportunity and I will use this opportunity to reach my goals and making its fulfilled.

And when times comes I hope I can give this opportunity to those children who needs it and help them.

At present I am in Dr Grahams homes and giving my test.

I hope this covid 19 will get over soon and we will be back to our old happiest days .

I once again thank you for everything and for helping us through our hard times.

Stay safe and take care.

Thanking you ,

Yours faithfully.
